

N4290p-AU

**FULL 1080p HDTV
4 HDMI 1.3 INPUTS**

Revolutionary 1080p HDTV performance

ViewSonic's extraordinary N4290p 42" LCD HDTV with swivel base revolutionizes high-definition home entertainment. Get transported to new heights of color and details in your high-def movies and games. With high-def inputs that include 4 HDMI 1.3 inputs you can connect your Blu-Ray™ player, game console, high-def cable or satellite box and all your digital home entertainment for the ultimate enjoyment. The USB 2.0 input lets you view your favorite photos in larger-than-life detail. Feel the action in movies and games made possible by full 1080p high-definition performance for 100% of your HD signal. Dynamic contrast ratio of 12,000:1 and ultra-high brightness provide richer colors. 20-watts of stereo sound optimizes your viewing experience. Enjoy uncompromised HD entertainment at home from the N4290p LCD HDTV.

> NextVision digital video processor engine

Advanced image processing eliminates noise, increases contrast and detail and optimizes color for rich, vibrant images. High-definition images look amazing and even standard television images are unbelievably smooth and sharp.

> 12,000:1 dynamic contrast ratio

Advanced 12000:1 dynamic contrast ratio senses and automatically tunes the backlight brightness levels based on content and the ambience of the room. The result is extreme contrast between black and white levels producing better definition in dark scenes.

> Multiple connectivity options

Expand your connectivity options with four HDMI (v.1.3) inputs for HD set-top boxes, DVDs, game consoles, Blu-Ray™ player, camcorders and more.

> Integrated Media Player

Enjoy your favorite Photo/Music/Video with our Integrated Media Player Watch your favorite video or share your photos with friends & family members on the BIG screen! Connect your Digital camera, USB Drive or any Portable hard drives to the equipped USB 2.0 input for easy playback. Without a PC!

> Quick connections through side inputs

Headphone jack, HDMI, Composite, S-Video, Component and USB 2.0 inputs at display side for easy to add more video devices like headphone, game console, DSC and more video device connection.

> DVB-T HD TV tuner built-in with Dolby Digital AC-3 Audio decoding

> Swivel base provides increased viewing angles

> Powerful high-fidelity audio with 20 Watt Speakers output
